DIVISION OF PROFESSIONAL CREDENTIAL PROCESSING BUREAU OF HEALTH PROFESSIONS

IMPORTANT INFORMATION

Applicants, recruiters and institutions and others involved in the placement of individuals who seek to be credentialed in the state of Wisconsin should understand that the credentialing process **may take anywhere from 30 to 60 days**, and that credentialing is not guaranteed to any applicant. Some factors that determine the length of time it may take to process an application depends on the length of time the applicant has been in practice, the total number of jurisdictions the applicant has been credentialed in and the length of time it takes for supporting documents to be received in the board office and reviewed.

The application consists of an all-inclusive packet with instructions and information on all applicable requirements. We attempt to process applications in a timely fashion. We cannot issue a credential until all the required documents have been received and reviewed in the board office. It is the Department's legislative mandate to provide consumer protection for Wisconsin residents.

The Bureau and the Board have been prevailed upon to waive requirements to expedite the process, only to discover legitimate grounds to deny a credential. This can present a serious problem for the applicant, recruiter or institutions if the applicant has relocated, purchased property, or made other commitments prior to the issuance of a Wisconsin credential. **We urge you not to make these moves until you know that your credential has been issued.**

Please "plan ahead" as we cannot speed up the credentialing process nor waive supporting documents even in emergency situations.

All foreign-trained physical therapist assistant candidates must take and pass the TOEFL examination, the Test of Written English (TWE) and the Test of Spoken English (TSE). A score report for all three examinations must be received by the Board directly from Educational Testing Service (ETS) prior to admission to an oral examination. The score reports must be received no less than three weeks before that oral examination.

TOEFL is a "Test of English as a Foreign Language." The purpose of the TOEFL test is to evaluate the English proficiency of people whose native language is not English. The tests uses a multiple-choice format to measure the ability to understand North American English. It consists of three sections.

TOEFL tests are given on various dates in Wisconsin at locations in Beaver Dam, LaCrosse, Ladysmith, Madison and Milwaukee. The tests are also given elsewhere throughout the USA, and at various locations throughout the world. More information on the TOEFL can be found online at www.toefl.org. **Passing score for TOEFL written is 560, computer is 220.**

The Test of Spoken English measures the ability of nonnative speakers of English to communicate orally in English. The test is approximately 20 minutes long. More information on the TSE can be found online at <http://www.toefl.org/edabttse.html>. **The passing score for the TSE is 50.**

The Test of Written English (TWE[®]) provides information about an examinee's ability to generate and organize ideas on paper, to support those ideas with evidence or examples, and to use the conventions of standard written English. It is intended to complement TOEFL[®] Section 2 (Structure and Written Expression). More information on the TWE can be found online at <http://www.toefl.org/edabttwe.html>. **The passing score for the TWE is 4.5.**

If you have questions about any of these examinations, please contact: TOEFL/TSE/TWE Services, Post Office Box 6151, Princeton, NJ 08451-6151, USA, or telephone them at (609) 951-1100, or register.

All foreign-trained candidates are required to take and pass the national license examination approved by the board. An applicant must meet all other licensure requirements prior to taking the licensure examination. Candidates will also be required to take an open book examination on Wisconsin Statutes and Administrative Rules.

The Wisconsin Physical Therapists Affiliated Credentialing Board has made it a policy that any graduate of a physical therapist assistant program not approved by the American Physical Therapy Association shall pass an oral examination before being issued a license to practice in Wisconsin.

TEMPORARY CREDENTIAL

Foreign-trained physical therapist assistant applicants cannot obtain a temporary credential until they are physically in this country. Additionally, foreign-trained applicants must have taken and passed the TOEFL, the TSE and the TWE. The department must receive an official score report from ETS for each of the three examinations before a temporary credential will be issued. If an applicant fails any examination, the temporary credential becomes null and void. (For further temporary credential information, see Form #2547).
